5610 4th Ave. So. Seattle, Washington 98108
206-762-6050 • sales@branom.com • www.branom.com

Serving Washington, Oregon, Idaho, Alaska, Northern California and Montana

AUTHORIZED DISTRIBUTOR

Branom Instrument Co. is an authorized distributor of the following manufacturers, offering our customers a wide variety of products and solution choices to best fit their application needs and improve their bottom line. For our full list of manufacturers go to www.branom.com.

Signal Conditioners,
Electronic Trips, Camille Bauer
Transducers, Power Monitors

Level Switches, Relays,
Barriers, Flow Sensors, Pressure
Transducers, Level Indicators,
Transmitters, Warrick Liquid Level
Controls, Float Switches

RedHat Solenoid Valves, Asco
Scientific Solenoid Valves,
Pneumatic Controls, Pressure
Transmitters, Pressure Switches,
Temperature Control, Valve
monitoring, Pilot Valves, S Series
Valves

Pressure Gauges, Pressure
Switches, Mechanical
Thermometers, Chemical Seals,
Temperature Transmitters,
Pressure Transmitters, Transducers

Photoelectric Sensors, Fiber
Optics, Ultrasonic Products,
Photoelectric Products, Wireless
Products, Measurement Sensors,
Inspection Sensors, Machine
Safety Products, Light Curtains

Human Machine Interface,
Counters, Rate Indicators, Timers,
Sensors, Signal Conditioners, PID
Temperature, Process Control,
Digital Panel Meters, N-Tron,
Sixnet Industrial Switches

Electronic Pressure Switches,
Electronic Temperature
Switches, Mechanical
Pressure Switches, Pressure
Transducers

High & Low Pressure Regulators,
Hydraulic Regulators, Back
Pressure Regulators, Valves,
Gauges, Filters, Electronic
Pressure Controllers

Drum, Tote, Cartridge, and
Band Heaters. Heating Cable
and Tape, Heat Blankets,
Flexible Surface Heating
Elements, Insulators &
Controls

Proximity Sensors, Flow Monitors,
Interface Connectivity Devices,
Cordsets, Multiprotocol Ethernet
Technology

Digital Pressure Gauges,
Transmitters, Alarms,
Temperature Products,
Custom Products, OEM
Products

Advanced Collaborative
Robotic Arms for Assembly,
Painting, Screw-Driving, Molding,
Welding, Polishing, Packaging,
Sanding, and Limitless Other
Programmable Capabilities

Variable Frequency Drives &
Soft starters specializing in the
Industrial, Food & Beverage,
Marine & Transportation,
Power & Utility markets.
Brands including VLT & Vacon

Thermocouples, RTD Sensors,
Thermistor Temperature Sensors,
Thermocouple Wire, Extension
Wire, Heaters, Temperature
Controllers, Power Controllers

Handheld Test Tools for
Electrical test, measurement
and monitoring. Including
Multi Meters, Electrical Testers,
Thermal Cameras, Clamp
Meters, Power Quality

Pressure Gauges, Snubbers,
Diaphragm Seals, Thermometers,
Pressure Transducers, Needle
Valves, Manifold Valves

MANUFACTURER'S REPRESENTATIVE

KROHNE

► measure the facts

Flow, Level, Pressure, Temperature & Liquid Analytical Equipment
for use in Industrial, Food & Beverage, Utility, Pharmaceutical and
Manufacturing Applications

ThermoFisher SCIENTIFIC

Liquid Analytics for
Environmental and
Industrial Applications

smc sierra monitor

Solutions for Combustible,
Toxic Gas Systems, and
Flame Detection Systems

TECHNICAL SERVICES

Branom Instrument Co. has highly trained and certified service personnel for superior on-site service, as well as a calibration lab where we maintain and repair state-of-the-art test and measurement equipment.

Calibration, Service,
and Repair

We offer a full complement of services to support your equipment:

- On-site calibration, troubleshooting, regular maintenance, start-up, and commissioning
- In-house test and measurement equipment calibration and repair
- N.I.S.T. traceable calibration certificates
- UL508A certified industrial control panel shop
- Backflow test kit service and sales experts

REPAIR • CALIBRATION • ON-SITE SERVICE • START-UP
